INSTRUCTIONS FOR BINDING DECLARATIONS OF INTENTION IN THIS BINDER.

1. Thrust a binding post through each of the holes from the outside in cover No. 1.

2. Force the pressboard strip down over the posts to hold them upright and in alignment.

3. When a declaration of intention is executed place it face down over the posts. This method of filing is necessary to keep the court serial numbers in order until the volume is permanently bound.

4. At the close of business each day place cover No. 2 over the posts and screw the slotted caps in place so as to avoid any possible misplacement of the original declarations.

5. Index daily all declarations filed so that when the binder is filled and ready for permanent binding the indexing will be completed.

6. When 100 declarations have been accumulated in the binder, place the completed index over the posts, place cover No. 2 in position, and bind temporarily by screwing down the slotted caps.

7. Notify the District Director of Naturalization or Head Naturalization Examiner in charge of your district that the volume is ready for permanent binding, giving the number of original declarations assembled therein.

Forward a requisition on Form 2201 to the Bureau for a new binder in sufficient time to permit of it reaching you just before this binder is filled.
